## 1.0 GENERAL INFORMATION

---

This *Request for Proposals (RFP)* should be read together with the AmeriCorps Regulations 45 CFR Sections 2520 – 2550, which can be found at [http://www.nationalservice.gov/pdf/45CFR\\_chapterXXV.pdf](http://www.nationalservice.gov/pdf/45CFR_chapterXXV.pdf), the *RFP* Glossary (Section 8.0), *Application Instructions and Attachments*, which are incorporated by reference. The documents can be found at <http://www.serve wisconsin.wi.gov>, under *Grants*. The full regulations are available online at [www.ecfr.gov](http://www.ecfr.gov). TTY number is 800-833-3722.

Creation of the RFP is an activity that is aligned with the 2016-2018 Wisconsin State Service Plan, which can be found at <https://serve wisconsin.wi.gov/Pages/AboutUs/StateServicePlan.aspx>

Publication of this *RFP* does not obligate Serve Wisconsin or the Corporation for National and Community Service (CNCS) to award any specific number of grants or to obligate the entire amount of funding available.

The mission of CNCS is to improve lives, strengthen communities, and foster civic participation through service and volunteering. Through AmeriCorps, Senior Corps, and the Volunteer Generation Fund, CNCS has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

## 1.1 Intent and Purpose of this Request for Proposals (RFP)

---

The purpose of this RFP is to solicit proposals that plan to establish AmeriCorps\*State programs in Wisconsin. Proposals must be from eligible organizations seeking funding to operate an AmeriCorps program in Wisconsin only. AmeriCorps\*State planning grants provide up to 12 months of funding to help organizations prepare to submit an application for a full AmeriCorps program grant, to develop the infrastructure and receive the training needed to manage an AmeriCorps program, which includes recruiting, training, and supporting AmeriCorps members; however, costs associated with writing an AmeriCorps application may not be charged as direct costs to the grant.

### 1.1.1 Purpose of AmeriCorps\*State

The purpose of AmeriCorps\*State is to engage AmeriCorps members in direct service and capacity building activities to address unmet community needs. Local programs design service activities for a team of members serving full- or part-time for up to one year.

An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members earn a Segal AmeriCorps Education Award from the National Service Trust that members can use to pay for higher education expenses or apply to qualified student loans.

### 1.1.2 AmeriCorps\*State Planning Grants

AmeriCorps\*State planning grants of up to \$75,000 are awarded on a competitive basis to allow organizations to begin developing their plans to manage an AmeriCorps program. Planning grant activities may involve work to establish a new program in Wisconsin or to replicate a successful existing program model in unserved or underserved areas of the state. Organizations use planning grants to become better prepared to compete for an AmeriCorps program grant in the subsequent grant cycle (2020-2021). Planning grants may not be used to support AmeriCorps members and costs associated with writing an AmeriCorps application may not be charged as direct costs to the grant.

## 1.2 Award Information

---

### 1.2.1 Award Period

Programs funded through State Formula Funds (such as those to be funded under this *RFP*) are funded for a one year period only. It is a policy of the Board that an organization can apply for and receive no more than two Formula funded Planning Grants over a period of two program years (maximum of one grant per year) to plan for AmeriCorps programming that would address the same need with the same program design.

### 1.2.2 Project Period

The project start date is proposed by the applicant and is for one year, beginning August 15, 2019 or September 1, 2019, and ending no later than August 14, 2020 or August 31, 2020, respectively. The project start date may not occur prior to the date CNCS awards the grant. The grantee may not incur any costs prior to the start of the planning grant contract without having received prior approval from Serve Wisconsin to do so.

## 1.3 Eligibility Information

---

The following Non-Federal entities (as defined in 2 CFR §200.69) who have a DUNS number and are registered in the System for Award Management (SAM) are eligible to apply:

- Indian Tribes (2 CFR §200.54)
- Institutions of higher education (§200.54)
- Local governments (§200.64)
- Nonprofit organizations (§200.70)
- States (§200.90)

Receiving funding previously from CNCS or another Federal agency is not a prerequisite to apply under this *RFP*.

**In order to be eligible for Formula funding through the Board, an applicant shall be one of the following at the time of application for Formula funds:** Wisconsin state or local government entity, or one of the following if its governing body operates within the state of Wisconsin: a federally recognized Indian tribe, a public or private nonprofit organization (organized as a tax-exempt entity under the federal IRS Code, including religious organizations and labor organizations), or an institution of higher education as defined in Wisconsin Statute 118.55(1). The only exception to this policy would be for an annual Formula process in which all other possible Formula funding options have been considered and Formula funding remains unallocated. In cases where Formula funds would otherwise remain unallocated, those funds could be provided to an entity that does not meet the requirements of this policy.

Under section 132A(b) of the NCSA, organizations that have been convicted of a federal crime may not receive assistance described in this *RFP*.

Note that under section 745 of Title VII, Division E of the Consolidated Appropriations Act, 2016, if CNCS is aware that any corporation has any unpaid Federal tax liability which—

- has been assessed
- for which all judicial and administrative remedies have been exhausted or have lapsed, and
- that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, that corporation is not eligible for an award under this *RFP*. However, this exclusion will not apply to a corporation which a Federal agency has considered for suspension or debarment and has made a determination that suspension or debarment is not necessary to protect the interests of the Federal Government.

Pursuant to the Lobbying Disclosure Act of 1995, an organization described in Section 501(c)(4) of the Internal Revenue Code of 1986, 26 USC 501(c)(4) that engages in lobbying activities is not eligible to apply for CNCS funding.

Receiving funding previously from CNCS or another Federal agency is not a prerequisite to applying under this *RFP*. Only organizations seeking to operate a program in the State of Wisconsin may apply through this *RFP*.

## 1.4 Cost Sharing or Matching

---

A first-time successful applicant is required to match a minimum of 24 percent of the total project cost for the first three-year funding period. Starting with year four, the match requirement gradually increases every year to 50 percent by year ten, according to the minimum overall share chart found in 45 CFR §2521.60.

Section 121(e)(5) of the National and Community Service Act of 1990, as amended, requires programs that use other federal funds as match for an AmeriCorps grant to report the amount and source of these funds to CNCS on a Federal Financial Report. Grantees must track and be prepared to report on that match separately each year and at closeout.

### How to Calculate Minimum Match Requirement

$$\begin{aligned} & \$ \text{ CNCS (Federal) Request} \div 0.76 = \$ \text{ TOTAL AWARD} \\ & \$ \text{ TOTAL AWARD} - \$ \text{ CNCS Request} = \text{Minimum } \$ \text{ Grantee Share (24\%)} \end{aligned}$$

#### 1.4.1 Indirect Costs

Application budgets may include indirect costs. Based on qualifying factors, applicants have the option of using a federally approved indirect cost rate, a 5/10 percent fixed option, a 10% *de minimis* rate of modified total direct costs, or may claim certain costs directly as outlined in 2 CFR. §200.413. States, local governments, and Indian Tribes may use approved cost allocation plans. All methods must be applied consistently across federal awards. Applicants who hold a federal negotiated indirect cost rate or will be using the 10% *de minimis* rate must enter that information in one of the Organization Info section in eGrants; however, under section 121(d) of the NCSA and CNCS's regulations at 45 CFR. §2521.95 and 2540.110, no more than five percent of award funds may be used to recover indirect costs on AmeriCorps grants. See the *Application Instructions and Attachments* for more information.

In a word processing document (and then later in eGrants), applicants will provide information for the following fields:

- Executive Summary
- Program Design
- Organizational Capability
- Cost Effectiveness and Budget Adequacy

Proposals must use Arial or Times New Roman 11-point font, and 1" margins or larger. Applications may not exceed 8 pages for the Executive Summary, Program Design, Organizational Capability, and Cost Effectiveness and Budget Adequacy sections. This requirement does not apply to the separate budget template, Appendix B. Reviewers will not consider submitted material that is over the page limit. Do not submit other items not requested in the *RFP* or *Application Instructions and Attachments*, the Board will not review or return them.

When applications are entered into eGrants following Board approval, they must also adhere to a page limit. Applications may not exceed 14 pages when printed out from eGrants. In determining whether an application complies with page limits, Serve Wisconsin will count the following for the narrative:

- The applicant's Executive Summary, SF-424 Face Sheet, and
- The Narrative portions contained in the Program Design, Organizational Capability, and Cost Effectiveness and Budget Adequacy sections of the application.

Serve Wisconsin will consider the number of pages only as they print out from the "Review" tab in eGrants (where you will see the "View/Print your application" heading) when determining compliance for page limits. Serve Wisconsin will not consider the results of any alternative printing methods in determining whether an application complies with the applicable page limits. Serve Wisconsin strongly encourages applicants to print out the application from the "Review" page prior to submission to check that the application does not exceed the page limit.

#### **A. Executive Summary (Required – 0%)**

Fill in the blanks below to complete the Executive Summary. **Do not deviate from this template.**

No AmeriCorps members will be needed to execute this plan.

#### **B. Program Design (70%)**

Reviewers will consider the quality of the proposal's response to the criteria below. Do not assume all sub-criteria are of equal value.

##### **1. Need (10 points)**

- Describe the need you plan to address with your AmeriCorps program and provide evidence that the need exists
- Describe why you are applying for a planning grant, why a planning grant is needed to address the previously described need, and what you hope to achieve during the one-year planning period.

##### **2. Program Model (30 points)**

Applicants are to describe to what their currently imagined AmeriCorps program plans to achieve once operational. While the planning grant will help to determine specifics of the program, applicants should include as much information as possible about the potential AmeriCorps program as they currently imagine it. More information about how the applicant will determine the criteria below should be included in the *Planning Process* section.

- Describe where you expect AmeriCorps members to serve, as well as how AmeriCorps members would be supervised.
- Describe the activities in which you propose to engage AmeriCorps members and how those activities will connect to the identified community need(s).
- Provide an estimate of how many AmeriCorps members your program would support and whether they would serve on a full-time or part-time basis. (Note: Serve Wisconsin prefers to fund programs that engage at least 10 members each year.)
- Explain how AmeriCorps members are a highly effective means to solve this community problem.
- Explain how AmeriCorps members will be addressing an unmet need and will not be duplicating or displacing any current staff, volunteers, or other services.

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative, should be free from mathematical errors, with proposed costs that are allowable, reasonable, and allocable to the award. The Budget should also contain adequate information to assess how each line item is calculated, and should be in compliance with the budget instructions contained in the Planning Grant *Application Instructions and Attachments*.

## 2.3 Technical Assistance

---

Serve Wisconsin intends to provide technical assistance to ensure that strong proposals are developed. The following policies will be followed as a fair process for the provision of technical assistance given available resources:

1. Technical Assistance will be equally available to all prospective applicants.
2. Staff will only respond to applicants who have reviewed the available written materials and have a specific question to be answered. Questions may only be submitted in writing (see section 2.2).
3. Staff will only provide answers to specific questions and make general comments regarding the Regulations and *RFP*, as opposed to providing specific programmatic suggestions for a particular applicant.
4. Staff will not review proposal drafts.
5. In compliance with federal regulations regarding conflict of interest, WNCSB Board members will not provide any form of technical assistance to a potential grant applicant. Instead, they will refer applicants to the RFP Manager.
6. Serve Wisconsin will provide applicants with technical assistance on entering and submitting proposals in CNCS's web-based grants management system and will provide guidance on how to access assistance from the National Service Hotline.

## 2.4 Reasonable Accommodations

---

Upon request, reasonable accommodations will be provided by the Board including the provision of information materials in an alternative format for individuals with disabilities. For special needs, contact Casey Sweeney at 608-266-5116 or [servewisconsin@wisconsin.gov](mailto:servewisconsin@wisconsin.gov).

## 2.5 How to Submit an Application in eGrants

---

If an AmeriCorps Program Planning Grant proposal is approved for funding by the Wisconsin National and Community Service Board on June 6, 2019, the applicant must enter their application electronically via the CNCS web-based system, eGrants ([www.egrants.cns.gov](http://www.egrants.cns.gov)) by June 14, 2019. Because it is a unique system, it is recommended that applicants create an eGrants account now and begin the application creation process as soon as possible.

Applications may not exceed 14 pages when printed out from eGrants. In determining whether an application complies with page limits, Serve Wisconsin will count the following for the narrative:

- The applicant's Executive Summary, SF-424 Face Sheet, and
- The Narrative portions contained in the Program Design, Organizational Capability, and Cost Effectiveness and Budget Adequacy sections of the application.

Please note the length of a document in word processing software may be different than what will print out in eGrants

More details can be found in the *Application Instructions and Attachments*.

### 2.5.1 Technical Difficulties

Contact the National Service Hotline at 800-942-2677 or <https://questions.nationalservice.gov/app/ask> if a problem arises while creating an account or while preparing or submitting an application in eGrants. If you contact the Hotline, be prepared to provide the application ID, organization name, and the *RFP* to which your organization is applying.

## 2.6 Dun and Bradstreet Universal Numbering System (DUNS) Number and System for Award Management (SAM)

---

Applications must include a DUNS number **and** an Employer Identification Number. The DUNS number does not replace an Employer Identification Number. DUNS numbers may be obtained at no cost by calling the DUNS

number request line at (866) 705-5711 or by applying online: [DUNS Request Service](#). CNCS recommends registering at least 30 days before the application due date.

After obtaining a DUNS number, all applicants **must** register with the SAM at [www.sam.gov](http://www.sam.gov) and maintain an active SAM registration until the application process is complete and, if a grant is awarded, throughout the life of the award. SAM registration must be renewed annually. CNCS suggests finalizing a new registration or renewing an existing one at least three weeks before the application deadline to allow time to resolve any issues that may arise. Applicants must use their SAM-registered legal name and address on grant applications under this RFP.

Applicants who do not comply with these requirements may be ineligible to receive or maintain an award. See the SAM Quick Guide for Grantees at [https://sam.gov/sam/transcript/Quick\\_Guide\\_for\\_Grants\\_Registrations.pdf](https://sam.gov/sam/transcript/Quick_Guide_for_Grants_Registrations.pdf)

### 3.3 CNCS Award Administration Information

---

#### 3.3.1 Award Notice

Applicants will be notified via email regarding funding decisions. Board approval of grant applications shall not be misconstrued as an authorization to begin grant activities. The Notice of Grant Award signed by the Grant Officer is the only document authorizing awardees to commence grant activities.

#### 3.3.2 Administrative and National Policy Requirements

##### Documents that Govern the Grant

The Notice of Grant Award incorporates the approved application as part of a binding commitment under the grant as well as the AmeriCorps regulations and grant provisions.

##### Uniform Administrative Requirements, Cost Principles, and Audit Requirements, Cost Principles, and Audit Requirements for Federal Awards

All awards under the criteria in this *RFP* are subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), now consolidated in 2 CFR 200 and 2205.

#### 3.3.3 National Service Criminal History Check Requirements

The National Service Criminal History Check (NSCHC) is a screening procedure established by law to protect the beneficiaries of national service. The law requires recipients to conduct and document NSCHCs on any person

(including award-funded staff, national service participants, or volunteers) receiving a salary, living allowance, stipend or education award through a program receiving CNCS funds. This includes staff who receive part of their salary through a subgrant. An individual is ineligible to serve in a position that receives CNCS funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder.

The cost of conducting NSCHCs is an allowable expense under the award. Applicants must budget at least \$62.75 per covered individual (staff and members) on the CNCS share of the budget, which should cover the costs for the checks that are required per [Serve Wisconsin's Criminal History Check Policy](#).

There are four components that comprise a NSCHC, and the minimum requirements for a compliant NSCHC will depend on the individual's level of access to vulnerable populations (i.e., children age 17 or younger, individuals age 60 or older, or individuals with disabilities), and whether the individual is an AmeriCorps member or staff person. The four search requirements include: (1) National Sex Offender Public Website (NSOPW), (2) State Criminal History Registry, which includes a Wisconsin state check and a check of the applicant's state of residence at the time of application if different than Wisconsin, (3) FBI Fingerprint Check, required if the individual will have recurring access to vulnerable populations, and (4) Wisconsin Circuit Court Access (WCCA), required for AmeriCorps members only.

See 45 CFR. §2540.200 - §2540.207 and <http://www.nationalservice.gov/resources/criminal-history-check> for complete information and FAQs. Inability of a grantee to demonstrate that they have conducted an NSOPW and other required criminal history checks, as specified in CNCS's regulations, may result in a disallowance of all or part of the costs associated with noncompliance.

#### **3.3.4 Use of Material**

To ensure that materials generated with CNCS funding are available to the public and readily accessible to grantees and non-grantees, CNCS reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so (2 CFR § 200.315 (b)).

#### **3.3.5 Reallocation of Funding**

CNCS reserves the right to reallocate funding in the event of disaster or other compelling need for service.

### **3.4 Right to Reject Proposals and Negotiate Contract Terms**

---

The Board reserves the right to reject any or all proposals. The Board may negotiate the award amount, authorized budget items, and specific programmatic goals with the selected applicants prior to entering into an agreement with an applicant.

### **3.5 Public Inspection of Proposals**

---

After notification of awards is made by CNCS and/or the Board, and under the supervision of Board staff, copies of proposals will be available for public inspection from 8:00 AM to 4:00 PM at 1 W. Wilson St., Room B274, Madison, WI. Applicants should schedule reviews by emailing [servewisconsin@wisconsin.gov](mailto:servewisconsin@wisconsin.gov).

No entire proposal submitted to the state may be marked as confidential, and any materials so marked, by being included in the application, will be considered public information. Evaluation tabulation and scoring by individual peer reviewers will also be open for public inspection, but these scores will not identify individual peer reviewers.

### **3.6 Appeals Process**

---

Applicants can only protest or appeal violation of procedures to the Board that are outlined in this *RFP* or fall within the Formula grant selection process. Ranking and scoring by the Peer Review Committee is not subject to protest or appeal. Notice of intent to protest and any protests must be made in writing. Individuals should make their protests as specific as possible and should fully identify the procedural issue being contested.

Any written notice of intent to protest must be filed the Board and received in no later than five (5) working days after the notices of intent to award are issued. Any written protest must be received within ten (10) working days after the notice of intent to award is issued.

**Via U.S. Postal Service or Other Carriers:**

The Board Chair  
Wisconsin National & Community Service Board  
1 W. Wilson Street, Rm. B274  
Madison WI 53703

The appeal will be reviewed by the Program Evaluation & Development Committee of the Board and a recommendation will be forwarded to the Board for consideration.

The decision of the Board may be appealed to the Secretary of the Department of Administration within five (5) working days of issuance. A copy of such appeal must also be filed with Board. The appeal must allege a violation of a Wisconsin statute or a section of the Wisconsin Administrative Code.

### 7.4 Executed Contract to Constitute Entire Agreement

---

In the event of contract award, the contents of this *RFP* (including all attachments), *RFP* addenda and revisions, the proposal of the successful applicant, and additional terms agreed to in writing, by the Board and the grant recipient shall become part of the contract. Failure of the successful applicant to accept these as a contractual agreement may result in a cancellation of award.

The following priority for contract documents will be used if there are conflicts or disputes:

- AmeriCorps Contract between the Board and Grantee
- Code of Federal Regulations
- AmeriCorps Provisions
- Applicant's Proposal and Any Subsequent Amendments
- State Request for Proposals

## 7.5 Termination of Contract

---

The Board may terminate the contract at any time at its sole discretion by delivering 30 days written notice to the grant recipient. Upon termination, the Board's liability will be limited to the pro rata cost of the services performed as of the date of termination plus expenses incurred with the prior written approval of the Board. In the event that the grant recipient terminates the contract, for any reason whatsoever, it will refund to the Board within 10 days of said termination, all payments made hereunder by the Board to the grant recipient for work not completed or not accepted by the Board. Such termination will require written notice to that effect to be delivered by the grant recipient to the Board not less than 90 days prior to said termination.
